

Internship Program in Taipei, Taiwan

We offer internship positions year round at our location in Taipei with a general duration of 6 months. Our internships come with a compensation package and a rewarding opportunity to participate in a real world and hands-on entrepreneurial environment.

What we offer

Taiwan offers a working holiday visa to a number of different nationalities and we offer a corresponding full-time position for a six month period. These intern positions are compensated with a \$ 12 500 NT\$ per month stipend. To learn more about eligibility for the working holiday visa please visit the following link: <http://goo.gl/taeNFZ>

What we are looking for

We are looking for interns with an interest of working in an international environment. Based out of our Taipei office you will be exposed to many aspects and functions of our organization. An ideal candidates enjoy hands on experience in a dynamic international work setting and is not afraid to embrace challenges. As a general guideline for our selection process we look for candidates with positive attitude and strong motivation skills. We expect a good command of the English language and will conduct a number of interviews with each candidate.

What you will do

Typically, we are defining internship projects with a specific objective. Each project is different but often fits in the functional areas of sales and marketing. You will be responsible to work independent and goal oriented on your project. In the process you will gain some real entrepreneurial exposure and have the opportunity to network and make contacts to the local and foreign expat community.
